

THE MCINTYRE TROPHY 2026

PERTH
WESTERN
AUSTRALIA

Foreword

The Senior Golfers' Society of Western Australia acknowledge the Traditional Custodians of this land on which we gather, the Whadjuk people of Noongar Boodjar.

We extend our warm greetings to all interstate members and their partners and look forward to meeting many of you over the course of your visit.

This is the 28th running of the McIntyre Trophy and the first to include Lady Seniors.

We also take great pleasure in showcasing our State and introducing the excellent golf venues that Perth has to offer. We are confident that you will find these venues impressive, challenging and enjoyable.

While staying in Perth, we encourage you to relax and engage in the activities available. This is a wonderful opportunity to create new memories and form lasting friendships with your fellow golfers and guests. Enjoy your time in our beautiful city and make the most of this unique event.

Welcome once again, and may this event be a memorable and enriching experience for everyone.

President David Coster

The McIntyre Trophy:

First played in 1969, and evolving from interstate matches between Victoria and NSW, this biennial gathering is the major and only event involving all of the Australian Societies. It is hosted in turn by each of the States with the last event held in Adelaide 2024. The trophy was donated by CJ (Jack) McIntyre, a former Champion, Captain and President of Metropolitan Golf Club.

Played over two days, in a 4 BBB format with pairings comprised of members from different States, the Trophy is awarded to the State with the best average members' score. Victoria currently holds the trophy.

Commencing on Sunday 3 May with a lunch for members and partners who have participated in international tours, the formal Cocktail Party that evening starts the festivities for all participants. Golf will be played at Lake Karrinyup Country Club on Monday and Mt Lawley Golf Club on Tuesday. Partner golf will be played at Western Australian Golf Club and Lake Karrinyup Country Club on the alternate days. The final dinner and presentations will be held on Tuesday evening in the Riverside Ballroom at the Novotel Langley Plaza.

Formal excursions have not been organised for non-playing partners, companies such as Pinnacle Tours offer a range of local and nearby tours. Click this link for options. Western Australian Tours

The Western Australian Society has organised special rates at the Novotel Murray Street in the Perth CBD. Novotel is a major sponsor of the event. The rates are available for up to 3 days prior to and after the event.

We encourage you to register at your earliest convenience to assist us with planning the 2026 event.

We look forward to welcoming you to Perth in May 2026

THE VENUES

LAKE KARRINYUP COUNTRY CLUB

Widely acknowledged as Western Australia's premier golf club Lake Karrinyup is a tranquil botanical haven for wildlife including native birds and kangaroos. Lake Karrinyup Country Club features a world class 18-hole championship course and a 9-hole short course with stunning views in every direction.

MOUNT LAWLEY GOLF CLUB

THE VENUES

MOUNT LAWLEY GOLF CLUB

Mount Lawley Golf Club is one of Western Australia's premier sporting clubs, boasting a championship golf course and outstanding member facilities.

MOUNT LAWLEY GOLF CLUB

THE VENUES

WEST AUSTRALIAN GOLF CLUB

The Western Australian Golf Club, ideally located 8 kilometres from the Perth CBD and nestled among the rolling hills of Yokine. The traditional Tudor Clubhouse overlooks superb fairways, greens and a picturesque lake, and also boasts views to the city and Darling Ranges, notably the 12th tee box is one of the highest view-points within the metropolitan area.

THE VENUES

LAKE KARRINYUP COUNTRY CLUB
(9 HOLE NORTH COURSE)

The North Course is a fabulous feature of Lake Karrinyup Country Club, providing a challenging layout to hone a player's short game and also a facility that allows members to have a quick 9 holes before or after work.

The North Course is also used for competitions in its own right and during the redevelopment of the main course, has been used as the front nine of the "composite course". In this capacity, it has proven a more difficult foe than its par and length would suggest.

Thursday

A Trent Jones Jnr-designed golf course, which is a must-visit for any golf enthusiast. Its stunning layout, set within an old quarry, combined with pristine conditions and challenging play, makes it an essential addition to any golfer's must-do list. Whether you're looking for a competitive round or a leisurely day on the greens, this course promises an exceptional experience that will leave a lasting impression
